ABOUT BESTWAY

Founded in 1978, your team at Bestway Tours & Safaris is celebrating our 40th Anniversary this year under the same management. Over the years we have organized fascinating journeys to the Indian Subcontinent and Asia, as well as the Middle East, Europe, Africa and South America. All our journeys showcase diverse cultures; history that is not necessarily confined to archaeological ruins, scenery that must be seen to be fully appreciated and above all, genuine first-hand contact with people across the world.

To quote Mark Twain, the famous American author, "India is the cradle of the human race, the birthplace of human speech, the mother of history, the grandmother of legend, and the great-grandmother of tradition. Our most valuable and most instructive materials in the history of man are treasured up in India only."

We show you the cultural riches of India that Twain cherished, in a collection of imaginatively designed journeys throughout the subcontinent, fully embracing the Indian experience. In this brochure we have featured tours to neighbouring Nepal and Sri Lanka, according the perfect compliment to any Indian journey. All our tours offer high quality accommodation, exquisite cuisine and reliable transportation, coupled with knowledgeable and friendly Indian tour guides. Our Special Value Tours also add many small details, which will make for a truly unforgettable journey, at affordable prices.

Organizing cultural journeys for the past 40 years has been a fascinating journey all onto itself, as well as an incredibly enriching experience for all of us at Bestway Tours & Safaris. We sincerely hope that we continue sharing these experiences with you, as you explore India, Nepal & Sri Lanka with us.
